America The Beautiful

Public Domain Katherine Bates & Samuel A. Ward

O beautiful for spacious skies,
For amber waves of grain.
For purple mountain majesties
Above the fruited plain.

America, America
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea.

O beautiful for patriot dream
That sees beyond the years,
Thine alabaster cities gleam
Undimmed by human tears.

America, America
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea.

Barges

Out of my window looking in the night,
I can see the barges' flickering light;
Silently flows the river to the sea,
And the barges too go silently.

Barges, I would like to go with you,
I would like to sail the ocean blue.
Barges, have you treasures in your hold?
Do you fight with pirates brave and bold?

Out of my window looking in the night,
I can see the barges' flickering light;
Starboard shines green and port is glowing red,
You can see them flickering far ahead.

Barges, I would like to go with you,
I would like to sail the ocean blue
Barges, have you treasures in your hold?
Do you fight with pirates brave and bold?

Brownie Smile Song

Words and Music by Harriet F. Heywood

I've something in my pocket,
It belongs across my face,
And I keep it very close at hand
In a most convenient place.
I'm sure you couldn't guess it
If you guessed a long, long while,
So I'll take it out and put it on
It's a great big Brownie smile

Catch a Rainbow

Melody: Kaye Glass Harmony: Suzi Lenhart

If I could catch a rainbow
I would do it just for you.
And share with you its beauty
On the days you're feelin' blue.
If I could I'd build a mountain
You could call your very own,
A place to find serenity,
A place to be alone.
If I could take your troubles
I would toss them in the sea,
But all these things I'm finding
Are impossible for me.
For I cannot build a mountain
Or catch a rainbow fair.
But let me be what I know best,
A friend who's always there.

Girl Scouts Together

Words and music by Gladys Cornwall Goff

Girl Scouts Together,
That is our song,

Winding the old trails,
Rocky and long,

Learning our motto,
Living our creed:

Girl Scouts Together
In ev'ry good deed.

Girl Scouts Together,
Happy are we,

Friendly to neighbors
Far o'er the sea,

Faithful to country,
Loyal to home;

Known as true Girl Scouts
Wherever we roam.

G.S. Of The U.S.A.

(Juliette's Rap)
Written by Teresa / Bill Shore

Destiny found Juliette in March of 1912
And the Lady from Savannah couldn't
keep it to herself
Juliette called up a friend and said, "Let's
change the world
I've got a plan, let's start tonight, it's all
about the girl"

You see the boys have got this scouting
thing, I've seen the things they do
They serve their country, camp and hike,
no reason girls can't do

G.S. Of the U.S.A.
G.S. Of the U.S.A.

Her family called her "Daisy", there's
nothing Daisy wouldn't do
It was normal when she stood on her head
to show the world her shoes
She started out with eighteen girls, inspired
by the guides
She brought scouting to the girls, and her
dream turned the tides
(Now) that was fifty million girls ago, just
look how far we've come
Girl Scouts of the U.S.A. are the girls who
get it done

G.S. Of The U.S.A.
G.S. Of The U.S.A.

Daisies, brownies, Juniors rule
Senior scouts are always cool
United for the greater good
Rockin' little sisterhood

I Can Make a Difference

Words & Music by Dorothy Lind

I can make a difference, yes I can;
I can be a friend and lend a hand;
I can make a choice to take a stand
And I can change the world
Oh, I can make a difference, yes I can;
I can be a friend and lend a hand;
I can make a choice to take a stand,
And I can change the world!

You can make a difference, yes it's true;
You can choose the things you say and do;
You can help the earth and people too,
And you can change the world
Oh, you can make a difference yes it's true;
You can choose the things you say and do;
You can help the earth and people too,
And you can change the world!

We can make a difference, if we try;
We can work together, you and I;
We can do our part so by and by
We can change the world
Oh, we can make a difference if we try;
We can work together, you and I;
We can do our part so by and by
We can change the world
We can change it;
Yes, we can change it,
We can change the world (Yes we can!)

I Love Being a Girl Scout

Written by Teresa / Bill Shore

I love being a Girl Scout

On my honor I will try
To keep the promise that I made
To serve my God, and serve my country
Because it's right to live that way.

I'll do my best to be courageous
Honest, friendly, fair and strong
Respect myself, respect all others
If I do that I can't go wrong.

Chorus:

I love being a Girl Scout
Sisters everyone, working, having fun
Oh and, I want to help the world out
That's what I'm about
I love being a Girl Scout.

Across this land, around this earth,
Girls like me reach out in peace
Different skin, different language
Sharing in the same belief
President or astronaut
Doctor, lawyer, CPA
And a mother when I'm grown
Proud to hear my daughter say

Chorus:

I love being a Girl Scout
Sisters everyone, working, having fun
Oh and, I want to help the world out
That's what I'm about
I love being a Girl Scout.

I love being a Girl Scout.

I love the rolling hills,
I love the flowers,
I love the daffodils;
I love the fireside
When all the lights are low.

Boom-dee-ah-da,
Boom-dee-ah-da,
Boom-dee-ah-da.

I'm Proud to Be Me

Lyrics by HY Zaret Music by Lou Singer

I'm proud to be me, but I also see you're
just as proud to be you.
We might look at things a bit differently,
but lots of good people do.
That's just human nature. so why should I
hate you
for being as human as I.
We'll get as we give, if we live and let live,
And we'll both get along if we try.
I'm proud to be me,
But I also see you're just as proud to be
you,
It's true you're just as proud to be you.

Kookaburra

Kookaburra sits on an old gum tree,
Merry, merry king of the bush is he,
Laugh, kookaburra, laugh kookaburra,
Gay your life must be.

*Used by permission of Marion
Sinclair, the author*

Kookaburra sits in the old gum tree,
Eating all the gumdrops he can see.
Stop, kookaburra, stop, kookaburra,
Save some there for me.

Kookaburra sits in the old gum tree,
Counting all the monkeys he can see.
Stop, kookaburra, stop, kookaburra,
That's not a monkey, that's me.

Linger

Mmm, I want to linger,
Mmm, a little longer
Mmm, a little longer here with you.

Mmm, it's such a perfect night,
Mmm, it doesn't seem quite right,
Mmm, that this should be our last with you.

Mmm, when come September,
Mmm, we'll all remember,
Mmm, our camping days and friendships
true.

Mmm, and as the years go by
Mmm, we'll think of you and sigh,
Mmm, this is goodnight and not goodbye.

Mmm, I want to linger,
Mmm, a little longer
Mmm, a little longer here with you.

Magic Melody

Susan Chandler

Here I stand all alone upon a hill so high
Gazing at the sky as clouds drift by
And I hear a melody in my heart
Leaves sing too echoing my lovely melody
Of my longing to be free to roam
In the sunlight of today and always
Where I choose in the heather by the
restless sea
This the magic song my heart sets free
I'm in love with the world
I'm in love with the world
I'm in love with the world

Rain may fall all round me and the sky may
gray
Comes again my melody to say
I will see the rainbow smiling at me
Bright hues there splendor painted on an
arch of blue
And the warming sun peaks thru to say
Follow on to find the treasures of life
All the way yet another path another day
Filled with promise and my magic song
I'm in love with the world
I'm in love with the world
I'm in love with the world

Make New Friends

Public Domain U.S.A.

Make new friends but keep the old;
One is silver and the other gold.

A circle is round, it has no end.
That's how long, I will be your friend.

A fire burns bright, it warms the heart.
We've been friends, from the very start.

You have one hand, I have the other.
Put them together, We have each other.

Silver is precious, Gold is too.
I am precious, and so are you.

You help me, and I'll help you
and together, we will see it through.

The sky is blue, the Earth is green
I can help, to keep it clean

Across the land, Across the sea
Friends forever, We will always be

Me and My Dinosaur

1st Verse:

One day while the weather was cloudy and gray,
And I wished someone would come over and play,
I heard a knock, knock and I opened the door,
there stood the loveliest big dinosaur.

Chorus:

Me and my dinosaur.
I never had such a friend before.
As big as a house, twenty times and a half,
And fifty times taller than any giraffe.
Legs tall as sequoia trees.
Teeth big as piano keys.
No two people are buddies more
than me and my dinosaur.

2nd Verse:

We hopscotched to Africa quick as a breeze,
While leap-frogging over the coconut trees;
And when we got thirsty mile after mile
In one great big gulp we just drank up the Nile. (Chorus)

3rd Verse:

Oh, we went to church and then we went
to school,
My dinosaur, gee he really is cool
I walked all the way from his tail to his cheek,
Without stopping once it took nearly a
week. (Chorus)

Alternate 3rd Verse?

Me and my dinosaur
I've never had such a friend before
As big as a house, twenty times and a half
And fifty times taller than any giraffe
Legs long as sequoia trees
Teeth big as piano keys
No two people are buddies more
Than me and my dina, nothin's as fine as,
Me and my dinosaur!

On My Honor

On my honor I will try.

There's a duty to be done and I say I.
There's a reason here for a reason above,
My honor is to try and my duty is love.

People don't need to know my name.
If I do any harm, then I'm to blame.
When I help another I help me.
If I've opened up my eyes to see.

I've tucked away a song or two.
If you're feeling low, there's one for you.
When you need a friend, then I will come.
There are many more where I come from.

Come with me where a fire burns bright.
We can even see better in a candles light.
But we find more meaning in a campfires
glow.
Than we'd ever learn in a year or so.

We've made a promise to always keep.
And the day is done before we sleep.
We'll be Girl Scouts together, and when
we're gone.

We'll still be trying and singing this song.

Once A Girl Scout (Always A Girl Scout)

Written by Teresa / Bill Shore

We are strong, a sisterhood
We believe in all that's good
We embrace adversity
It makes us stronger, sets us free

And as we walk the road of life
Faith and courage will be tried
We can face life's twists and turns
Empowered by the lessons learned

We learn to follow, we learn to lead
And that we can be anything we wanna be

Chorus:

Once a Girl Scout, Always a Girl Scout
We can do anything, watch us dance and
hear us sing
Once a Girl Scout, Always a Girl Scout,
Once a Girl Scout

We can move a mountain and
Move it like a grain of sand
Out-muscle men and never strain
They use their backs, we use our brains
We can make the dough, and bake it, too
There's nothing in this world we can't do

Chorus:

Once a Girl Scout, Always a Girl Scout
We can do anything, watch us dance and
hear us sing
Once a Girl Scout, Always a Girl Scout,
Once a Girl Scout

Outro:

Once A Girl Scout, Always A Girl Scout
(Make new friends but keep the old)
Once A Girl Scout, Always A Girl Scout

(one is silver and the other gold) (Repeat)

This Land Is Your Land

Words and Music by Woody Guthrie

Chorus:

This land is your land,
This land is my land,
From California to the New York Island,
From the redwood forest to the Gulf
Stream waters,
This land was made for you and me.

1st verse:

As I went walking that ribbon of highway
I saw above me that endless skyway,
I saw below me that golden valley,
This land was made for you and me.

(Chorus)

2nd verse:

When the sun came shining, then I was
strolling,
And the wheat fields waving, and the dust
clouds rolling,
A voice was chanting as the fog was lifting,
This land was made for you and me.

(Chorus)

3rd verse:

I've roamed and rambled and followed my
footsteps,
To the sparkling sands of her diamond
desserts,
And all around me a voice was sounding,
This land was made for you and me.

By Mark Shepard

1st Verse

1, 2, 3, 4, 5, 6, 7, 8, I believe it's not too late.
Together we can change the world.
What if we spoke with one voice,
Knowing that we have a choice?

Chorus

Can't do it by myself
So I'm asking for your help
Together we can change the world.
Sail past where it's been charted,
Roll your sleeves up let's get started,
Together we can change the world
Together we can change the world.

2nd Verse

With our hands and with our hearts
We can dare to make a start.
Together we can change the world.
Lay the puzzle pieces out,
Find out what it's all about.
Together we can change the world.
(Chorus)

3rd Verse

Change your mind and change your life,
Set aside the fear and strife.
Together we can change the world.
When we open up our eyes,
Then we start to realize,
Together we can change the world.
(Chorus)

4th Verse (Ending)

1, 2, 3, 4, 5, 6, 7, 8, I believe it's not too late,
Together we can change the world.

We Are Family

Music and lyrics by: Bernard Edwards, Ilse Rodgers, Andrew Logan, Mike More and Sister Sledge

Chorus

We are family! I got all my sisters with me!
We are family! Get up everybody and sing
Sing!

1st Verse

Everyone can see we're together
As we walk on by!
(And!) And we fly just like birds of a feather
I won't tell no lie!
(And!) All of the people around us they say
Can they be that close?
Just let me state for the record,
We're giving love in a family dose!
(Chorus)

2nd Verse

Living life is fun and we've just begun to get
our share,
Of this world's delight!
(High!) High hopes we have for the future
And our goal's in sight!
(We!) No we don't get depressed
Here's what we call our golden rule,
Have faith in you and the things you do!
You won't go wrong,
This is our family Jewel!
(Chorus)

We Change the World (Vol. 1)

By Melinda Carroll, 1989 Donated to GSUSA

Chorus

Change the World, come with me,
Time to let our dreams fly free.
And it comes so easily, that is our way.
Every moment we're alive, it's our love that
will survive!
In the Girl Scouts, together, We Change
the World!

1st Verse

Sisters of every color, friends from
everywhere;
We all make the difference, when we show
the world we care.
The Girl Scouts are our family,
And they show us what we can be!
And I believe, together, We Change the
World!

2nd Verse

In a world with many faces, Girl Scouts find
the way
To help in many places along the trails we
blaze.
We light the light and do our share,
Reach out your hand and someone's
there,
And I believe, together We Change the
World

Yes, She Can

To the tune: "She'll be Comin' Round the Mountain"

Can a woman fly an airplane?
Yes she can, yes she can.
Can a woman build a building?
Yes she can, yes she can.
Can a woman fight a fire?
Can a woman change a tire?
Can a woman lead a choir?
Yes she can, yes she can.

Can a woman be a lawyer?
Yes she can, yes she can.
Can a woman fix an engine?
Yes she can, yes she can.
Can a woman be a drummer?
Yes she can, yes she can.
Can a woman be a plumber?
Can she play ball in the summer?
Yes she can, yes she can.

Can a woman be a doctor?
Yes she can, yes she can.
Can a woman drive a tractor?
Yes she can, yes she can.
Can a woman lead a nation?
Can she run a TV station?
Can she lead a corporation?
Yes she can, yes she can.

Just you wait until we're older, then you'll
see.
We'll be women in tomorrow's history.
As we grow up through the years
We can sing out loud and clear.
Can we start the process here?
Yes we can! Yes we can!
